The Mango freestanding bath is designed to bring a sense of tranquility into your home. The raised corners and soft edges give the bath a sculptural appearance, while the freestanding design allows it to be used in both modern and traditional settings.

PIETRA BIANCA MATERIAL

The Mango freestanding bath is made from our eco-friendly non-porous composite stone material. Created from our unique blend of reclaimed marble, limestone and engineered resins, our composite stone offers great heat retention, durability, is environmentally friendly and warm to the touch.

Please note, due to the handmade nature and the high content of natural stone, colour and dimensional tolerances apply.

Approximate weight: 130kg

+ Pietra Bianca offers an optional overflow drain and/or a complimenting stone drain cover at an additional cost.
