GEOMETRICS

Sól bath 1660mm

The Sól Bath explores geometric asymmetry through the harmony of straight lines and delicate curves. Particularly suited to smaller spaces, the elegantly simple band around the rim subtly defines this compact bath. Experience a well-supported soak on the broader end, or immerse yourself in the perfect, snug, reclining position on the tapered side which also visually creates the illusion of floating in space and allows light to flow under and around its form, complimenting light filled spaces. Though small in footprint, the bath is deceptively comfortable and spacious.

DIMENSIONS

1660mm x 850mm x 520mm
Approx weight: 117kg (258lb)
