

Kappa Duofix Under Counter Concealed Cistern

GEBERIT

Features

High density, impact resistant one-piece blow moulded HDPE tank.

25-year spare parts availability and the 15 year warranty on Geberit cistern tanks and frames provides long-term security.

The dual-flush plate acts as the button and provides the access required for servicing the internal parts of the cistern.

Strong, stable and easy to service: each frame is tested to withstand 400kg of weight.

Designed in Switzerland.
