PLEASE NOTE, our sink dimensions can vary by a plus or minus of 2%, as they are hand-made and shrink during firing. We therefore recommend that your kitchen fitter is aware of this and that no work surfaces or cabinets are cut before measuring your individual sink. Due to the handcrafted nature and weight of our sinks, we also recommend a specialist kitchen fitter installs your sink and that it is properly supported.

Features include:

- Inset or undermount sink.
- Round overflow.
- Central 90mm waste outlet suitable for basket strainer or waste disposer.
- Chrome 90mm basket strainer included as standard. Special finishes available, sold separately.
- Lifetime residential replacement warranty on sink. Visit Shaws website for more details.
