

SHADOWLINE DIFFUSER SQUIRCLE

Round corner profile flangeless internal grille

Shadowline Diffuser Squiracle	Shadowline Diffuser Squiracle with Plenum Box, White ABS	1SLD280SC
--------------------------------------	--	-----------

Compatible Expella ventilation kits (sold separately):

Standard Inline Exhaust Kit	1406530
Quiet Flow Inline Exhaust Kit	1406220
Quiet Flow Multi Inline Exhaust Kit	1406340
Roof Exhaust Kit	1406500

The Shadowline Diffuser Squiracle is a flangeless internal ceiling grille that allows air to be channelled through ventilation systems. The diffuser has a round corner profile with a centre panel that is ready for painting, resulting in a discreet finish that matches the ceiling. Designed in Australia by Expella, it has been engineered to optimise airflow and efficiency.

expella™

Discreet internal grille designed to be set into the ceiling for a streamlined surface

Centre panel that is ready to be painted to match the ceiling for a consistent finish

Suitable for inline ventilation systems and air conditioning systems

SHADOWLINE DIFFUSER SQUIRCLE

Round corner profile flangeless internal grille

PRODUCT FEATURES

- Sits flush with the ceiling once installed
- Fine textured centre panel finish (resembling gyprock) that is ready for painting, to provide a finish that is consistent with the ceiling
- Designed to optimise air flow and improve ventilation system efficiency
- Manufactured from durable, non-corrosive and high-quality ABS plastic – an ideal material for channelling damp air
- Low profile design for restricted ceiling space
- Easy to install
- Low 148mm profile, ideal for restricted ceiling space
- Acts as a service panel for system maintenance
- Easy to clean, simply wipe with a damp cloth as required
- Designed and engineered in Australia by Expella

SHADOWLINE DIFFUSER SQUIRCLE

Round corner profile flangeless internal grille

DIMENSIONS

INSTALLATION AND MAINTENANCE

Installation

It is recommended that installation of the Shadowline Diffuser Squircle is carried out by a qualified tradesperson, it is to be installed as part of an inline ventilation system.

The Shadowline Diffuser Squircle requires a 280mm diameter circular ceiling cutout. It should be installed prior to the ceiling being installed, as the plenum box is larger than the ceiling cut out.

Please check product specifications with your tradesperson before ordering.

Maintenance

Clean the grille as required with a damp cloth to maintain optimal performance and prevent the buildup of dust and debris.

Warranty

5 year warranty from date of purchase. Refer to Expella's website for full warranty terms and conditions.
