

Milu

odourless

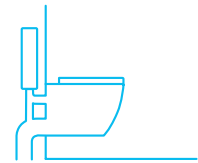

by expella™

Rimless toilet pan design for easier cleaning and a superior wash with each flush

Antibacterial nano glaze finish

Designed for use with a concealed in-wall concealed cistern for a more spacious bathroom feel

MILU MOD IN-WALL WALL HUNG PAN

The Milu Mod Wall Hung Pan is a compact toilet pan with a modern, elegant form that sits off the floor creating the illusion of space. The design features a hygienic rimless bowl, a comfortable soft close seat and vitreous china construction with an antibacterial nano glaze finish.

Install this pan with the Milu In-Wall Cistern with Odourless by Expella that keeps the pipes and water tank hidden inside the wall cavity for a more minimal, streamlined look. The cistern comes with Expella's fully integrated toilet ventilation system that removes odour before it leaves the toilet bowl, so you can use the toilet without worrying about leaving embarrassing smells behind.

INSTALLATION & MAINTENANCE

Installation

The Milu Mod In-Wall Wall Hung Pan should be installed in conjunction with the Milu In-wall Cistern with Odourless by Expella for Wall Hung Pans. Refer to the fact sheet and instruction manual for the cistern for more detailed installation information. The suite must be installed by a qualified plumber in accordance with AS/NZS 3500.

A full installation manual is provided with the toilet suite and further information can be found on Expella's website.

Maintenance

Maintain with regular cleaning. The seat has a top fixing with quick release when required for cleaning.

Warranty

Vitreous china	10 years
Toilet seat	1 year

Refer to Expella's website for full warranty terms and conditions.
