## THE STORY CRAFT TELLS

**Victoria + Albert** is a member of the House of Rohl, a collection of artisan brands recognised for their artistry and heritage.

The Rohl family have spent a lifetime seeking stories of dedication, passion and craft. They have brought together diverse brands, exceptional in their category, that complement each other. Independent spirits, but shared values. A belief that quality starts with the material, design is in the detail and craftsmanship is paramount.

Distinctive stories are what makes life exceptional. At the House of Rohl, we discover time-honoured craft, revealing stories unlike any other. Stories of place and provenance. Stories of ingenuity and invention. Stories of a relentless pursuit of perfection.

Welcome to the House of Rohl®

# A lifetime of luxury bathing

**Victoria + Albert Baths was born out of a passion for luxury bathing.**

The vision was simple: to set the standard for style, innovation and performance in bathing products. Today, 25 years after Victoria + Albert was founded, our award-winning baths and basins are found in some of the world's most desirable homes and hotels.

Luxury is in the detail. From the quality craftsmanship and materials that go into each of our products, to the support from experts in our customer services team. We deliver all over the world, each order rapidly dispatched from our international distribution centres. With the peace of mind of a 25-year domestic guarantee, choosing Victoria + Albert is an investment for life.

# Modern Movements In Colour

Colour collaboration with **Wallpaper\***

Architecture styles of the 20th century inspired the new collection of colour palettes by Wallpaper\* and Victoria + Albert. Editor-in-chief Sarah Douglas looked to the tonal ranges employed by Belgian minimalists, the splashes of primaries in Brazilian modernism and the colour-popped chromatics in American postmodernism, adapting and reimagining shade and hue for the contemporary bathroom environment. Your journey into modern 'bathitecture' begins here.

# Petite Luxury

Luxury bathing should not be restricted to those with large bathrooms. The beauty and indulgence of a freestanding bath can enhance a smaller room, revealing more of the floor and creating a greater sense of space. Victoria + Albert's new range of 1500mm baths brings luxury to the most compact bathrooms. A stylish alternative to a conventional built-in bath.

# Refined designs

Our Victoria + Albert design team are famous for pushing the boundaries across new and existing designs; they are constantly looking to improve on what many would agree is design perfection.

Their mission to “refine and improve” is front of mind in everything they do, from exploring softer angles to enhancing ergonomics, they create features that not only look beautiful but enrich the bathing experience.
